Srimathe Ramanujaya Nama:

Swamy Ramanuja is the incarnation of **Adishesha** who appeared on this earth to preach peace, love, service to the Supreme Lord and universal brotherhood of the human beings. We have been very fortunate that such a great personality had appeared on this earth for us. **Swamy Ramanuja** made His transcendental appearance on this planet in **Sri Perambudur** (near present day Chennai) in the year **1017 AD**. With due course of time, Swamy made His mammoth imprints in various fields like – propagation of true religion, culture, tradition , society and universal welfare of all living entities. Swamy Ramanuja had lived a life of example, a life of love, service and sacrifice. **May 1st 2017**, marks the greatest day in the world's history as it marks the **1000th appearance anniversary of Swamy Ramanuja**. The present generation is said to be the most luckiest as we have been blessed with the opportunity to be a part of this great festival.

Swamy Ramanuja had travelled the length and breadth of this country establishing the principles of true love and religion. Having said that, it is worth a mention that Swamy Ramanuja had a special affinity towards **Melkote** and the Lord of **Melkote – Thirunarayana**. Swamy Ramanuja only has the credit of restoring the fame of Melkote by reinstalling the deity of **Lord Thirunarayana**. Swamy had blessed this place by staying here for 12 years. Another greatness of this place is that, Swamy Ramanuja embraced the deity of Himself that was made by His disciples, installed it with His divine potency. This was done so that His disciples do not feel the pain of separation when Swamy had to head back to Srirangam from Melkote. Such is the divinity of this great place.

Sri Ramanuja Sahasramanotasava Seva ® - Melkote is a non-profit organization that has been serving under the guidance of Swamy Ramanuja to re-establish and propagate the teachings of our beloved Acharya – **Sri Ramanuja**. The trust has taken up various projects to achieve the objective. They are –
